Enhance Our diverse resident and guest faculty enhances the students ability to adapt to different teaching styles while broadening their artistic reach and expanding their movement knowledge. With a teacher-student ratio averaging 1:16 or less, dancers are given an invaluable opportunity to receive personal, individualized attention in every class!

Local and out of town dancers alike will benefit from our rigorous programs while experiencing all that beautiful San Diego has to offer. Choose us as your primary source of education this summer or join us for a shorter duration to maintain your growth and further master your craft before the new school year begins.

Strengthen Scripps Performing Arts Academy's Summer Intensive is an inspired program designed to provide comprehensive, high quality training for serious ballet and dance students between the ages of 10 and 19 years old. Passionate students who aspire to become the best dancers that they can be will thrive in this unique program.

We are committed to excellence and our highly qualified, professional faculty provide the tools necessary to help dancers hone their skills, expand their minds and stretch their boundaries in a safe, nurturing environment.

Explore Each program offers a comprehensive curriculum designed to inspire growth and excellence. Students participate in daily ballet technique classes, including pointe or men's training, complemented by cross-training programs tailored to enhance strength and versatility.

Weekly supplemental classes may include Modern, Jazz, Classical Character Dance, Acting for Dancers, Anatomy, Injury Prevention or Nutrition Seminars.

Modern, Jazz, and Classical Character classes meet two to three times weekly, providing students with both a solid foundation in each style and ample opportunity to refine their skills. This well-rounded approach ensures dancers build confidence, expand their artistry, and achieve their full potential.
